

Scenic Mpumalanga & Kruger National Park Safaris

Mpumalanga aptly means “Place where the Sun rises”. The scenery is breathtaking, the tales of the gold rush, captivating and the tribal legends, fascinating.

Explore the renowned Kruger National Park, 350km long and home to teeming wildlife, birds and plants and trees.

Let us take on safari in closed and open vehicles and take walks with trained guides in the open bush.

It's right here for you to experience!
