

## The Rugged Limpopo Province

Our most northern and rugged province, Limpopo shares its borders with Zimbabwe, Botswana, Mozambique and includes half The Kruger National Park.

It's an ancient land, filled with scenic splendour and Baobab Trees as old as 3000 years.

Limpopo has evidence of Ancient Civilisations (Mapungubwe, Thulamela & Dzata) dating back to the 12<sup>th</sup> Century.

It is a land that tells tales of myths, legends, sorcery, witchcraft, mystical lakes and ancient dynasties such as the miraculous rain making Queen Modjadji.

It is also home to The Waterberg Region, a vast mountainous expanse with many rivers, streams and wetlands and private game reserves rich with wildlife diversity, plants, trees and birds.

Add this experience to your Mpumalanga- Kruger trip and experience the full vastness of South Africa's wildlife and cultural heritage.
